

The *Newsrail* editorial team invites you to subscribe to our 32-page, full-colour monthly magazine which is now published by Victorian Rail Publishing Inc.

Our monthly magazine brings you a wide range of exclusively Victorian rail content, including general rail news, major feature articles on various topics, infrastructure works, sightings and operations, tram news, and news from the rail preservation community. And all conveniently posted directly to your letterbox or post office box each month!

All subscriptions will also include a *Supporter Newsletter* with further trivia and items of interest, as well as news on the work of our volunteers, and there's even an option to subscribe to this newsletter alone.

We have two key subscription options:

- May to December 2020, providing you with all back-issues since the final (April 2020) ARHS-published edition of *Newsrail*, plus all forthcoming editions to the end of 2020
- OR -
- September to December 2020 editions only

Either option will take you through to the end of 2020. Our next subscription period to run from January to December 2021. Our pricing is based, pro-rata, on the same \$150 per annum subscription cost that ARHS charged in 2019.

Please complete the form below and send to us with your payment advice.
